## Missouri School Improvement Program - Annual Performance Report for 2019

### ESSA Accountability Plan for 2019

Beginning in 2020, the Report Card calculates based on a fixed dataset derived from the current school year to produce a static report; therefore, it may not match other reports on the MCDS Portal. The Report Card is intended to represent a fixed period of time, while all other reports are periodically updated to display current data.

# Missouri District Report Card

Total instruction and support expenditures of Federal, State, and local funds, includes actual personnel expenditures and actual non-personnel expenditures in a fiscal year. Calculation excludes capital outlay, food service local and state revenue, student activities revenue, tuition received from patrons and other districts/charters, and transportation fees from patrons and other districts. Total is divided by September Membership as reported on the last Wednesday in September to calculate the expenditures per pupil.
