

## **i-Ready Parent Homework Help**

To access useful family resources:

Student logs into iReady Pathways ( Reading or Math):

- See below a picture diagram of where to find the links in your students i-Ready Pathways.
  - Bookshelf- this link includes each lesson along with family resources.
  - My Videos- this link provides videos for each lesson

Each video provides additional learning opportunities for the student and the parent. Please note the Family Resource link in the top right corner of the Bookshelf tab. There are many useful links within the Family Resource link that can help both parents and students.
